

Christmas Time at Jack and Jill

The Christmas trees are up, the decorations are shining, the songs have been practised and it's almost time for Christmas jumpers!

We are really going to miss inviting you in for our Christmas nativities and parties this year but the fun will carry on regardless – here's what's happening over the next couple of weeks at Jack and Jill.

Christmas concerts will be filmed from w/c 7th December and sent out via the Family app w/c 14th December.

Christmas lunch is on Wednesday 9th December. Children will be making Christmas hats and enjoying Christmas music

Christmas jumper week - starting on Friday 11th December until the end of term. Staff and children will be wearing Christmas jumpers for the remainder of term. Please remember not to throw away your Christmas jumpers. We will be arranging a Christmas jumper recycling event after Christmas in order to reduce fashion waste going to landfill.

12 days of Christmas stories will be read by Jack and Jill staff and shared via the Family app w/c 7th December

Last day for term time only children: 18th December

Last day before Christmas closure: 22nd December

Start of Term 3 – Monday 4th January 2021

Reminders:

- Please check our lost property by the front door to the building
- Please make sure all items that are brought into Pre-school are named – this will help us get lost property back to you quickly
- Please make sure all children have thick coat, hat and even gloves over the coming weeks. The weather is supposed to be getting chilly over the next few weeks as they will go out into the garden in almost all weathers.

You may have noticed our Star of Fun displayed on the gate outside Jack and Jill which was beautifully designed by the children in The Little Ark. It is part of the Westbury Church Advent Trail.
